Student Population by Race & Ethnicity - Fall 2010

CDE: Race and ethnicity of students and staff in Colorado public schools was collected in a new way beginning in the 2010-11 school year. Under the new method there are 63 possible racial/ethnic code combinations. To simplify reporting at federal and state levels, seven categories will be used.

All persons identifying with Hispanic ethnicity, regardless of race, will be reported as 'Hispanic.' All non-Hispanic persons who mark more than one race will be reported as 'Two or More Races.' All other non-Hispanic persons will be reported as the single race identified.
